Vol. 1. Tonopah, March 4. No. 16. Were you one of the throng of citizens who gathered at the depot yesterday to wish the volunteers Godspeed on their departure for the training camps, whence in a short time they go to the front to fight WASHINGTON. March 4.—Tem- sumption of breadstuffs is intimate save it from decay, have not only the world's battle for future peace and liberty? It was indeed an inspiring sight to see those boys, stalwart and brave, board the train and, believe me, there were tears in most istration today as a readjustment of larged and we can supply the allies conditions, which already appear, in of the eyes that witnessed the in

as food conservation program. In- with all of the meat products which larger than normal arrivals at spiring sight. Those American boys are the class and any way you look at it they will surely get the kalser's goat.

Once when I was a kid I went into the fancy poultry business and 1 remember well my first venture was to get a setting of game chicken eggs, from which I raised five game cocks. They grew to be beautiful birds and I kept them until one day a chicken fancier wanted to buy them to add to his string of fight-
